International Casket Co.

Casket Manufacturing

Brief Introduction

International Casket Co.

This company has grown as a result of the combination of commitment to customer service and dedication to our products.

Our four basic business principles are Quality Conscious, Customer Loyalty, Reliable Delivery and Affordable Products. These principles have allowed us to be the leaders in the casket manufacturing industry offering "TOP QUALITY CASKETS AT THE RIGHT PRICE".

A full selection of panels, interior and hardware options are available from a wide range of prices to suit every customer's need.

This product catalog is designed to help you find information and images of our extensive line of caskets.
